Prospects Bright For Opening Day Of Deer Season

Wardens Report Deer Are Still In High Points Of District

Sportsmen can expect deer hunting opportunities at least as good and in some areas better than last year as the inland hunting season opens Saturday and to continue through November 1, William E. Warne, director of the department of fish and game, said this week an releasing the department's pre-season predictions.

Despite the heavy rain last week, however, a fire hazard continues and all hunters are urged to check at local ranger stations for campfire permits and to determine current local fire dangers before entering the woods.

Both Warden Charles Spillner and George Wurst, game management expert, have predicted a good hunting season with an abundance of deer widely scattered. Few have returned from the higher elevations and the best hunting is expected to be in the mountain area.

Wurst, whose territory extends from the Truckee to the Carson rivers, has the following report:

"Big bucks are still in the high country despite lack of water. Limited water might cause hunter concentration in some areas. Buck kill in the Truckee and Markleville areas is expected to be good, but slower than the 1959 season, due to relative high fawn loss of the past two winters. Three year old deer should show up moderately."

The local warden staff is expected to be augmented by several extra wardens for the opening days of the season.

Wurst is advising hunters that a checking station will be set up on Donner Lake at the old Donner Trail Lumber Company plant and he asks that hunters stop there to have their deer validated. This will provide the department with a localized check and will also be a convenience for the sportsmen.

Other peace officers throughout the area will also validate as in the past.

More hunters than ever are expected in the area as weather and hunting conditions are predicated as ideal.

Hope Looms For County Building

Stan Halls, chairman of the Nevada County Building Committee, reported to the board of supervisors that progress has been made in finding a suitable location for a new county building for the eastern end of the county.

The most feasible site, Halls told the board, is in the vicinity of the Tahoe Forest Hospital which has been made available.

This site will be taken under serious consideration by the board with details to be examined by District Attorney Harold Berliner.

For the past several months, the building committee has been studying the local needs and all are agreed that a building to house county offices, including a new jail and sheriff's department office is advisable.

In other action, the board accepted with regrets the resignation of Dr. George Foster as county health officer. Dr. Foster has been replaced by Dr. Stanley Ogush of Grass Valley.

A request was made to the division of highways asking that the state remove snow from old Highway 40 from Union Mills to Donner Lake, including roads to Hirschdale and Boca, after the new freeway replaces the old highway which will be turned over to the county.

KATHERINE BOWERS WEDS IN BAY AREA

TAHOE CITY—Miss Katherine Bowers became the bride of Warren Reuben Merwin at a formal wedding, September 20 in the Northbrae Community Church of Berkeley.

A reception followed at Mira Vista Golf and Country Club at El Cerrito. The newlyweds immediately left for Arizona and will also visit Tahoe City. They will be at home to friends October 5 at Clarksburg.

Mrs. Merwin is the daughter of Mr. and Mrs. Elwell Bowers of Tahoe City and Berkeley.

DeMOLAYS BOWL

Percy Samme and William Randall accompanied a group of the DeMolay boys to Reno Sunday for a bowling match at the Town and Country Bowl. Ronald Brown was a guest and members of the local order attending were Steve Randall, Gene McGihon, Wade Hensley and Richard Brown.

Sisters Observe Dates—

Mrs. Elden Tonini celebrated her Sept. 12 birth date with her family and her sister, Mary Zunino will also observe her natal date Sept. 27.

Royal Arch To Be Host At Festival For Masonic Rites

Donner Chapter No. 39, Royal Arch Masons, will be host to the second Masonic York Rite Festival to be held at the Truckee Masonic Temple Friday and Saturday, October 3-4, when all the degrees above the Blue Lodge will be conferred.

Friday evening, October 2, the mark master, past master and most excellent master degrees will be conferred by Nevada Chapter No. 6, R.A.M. of Nevada City. Saturday morning, at nine o'clock the same chapter will confer the Royal Arch Degree.

At approximately 11 o'clock Gateway Council No. 13, R.&S.M. of Auburn, will confer the royal and select master degrees.

After a recess for lunch, the Order of Red Cross, and Order of Malta will be conferred by Auburn Commandery No. 52, K.T. Dinner will be served in the banquet hall by the ladies of Truckee Chapter, Order of the Eastern Star, and the Order of the Temple will be exemplified following dinner.

It is expected that the grand officers of the three York Rite bodies, Harry R. Sones, grand high priest of the grand chapter, Royal Arch Masons; Emmett H. Ernst, grand master of Royal and Select Masters, and Willard G. Cartwright, grand commander of Knights Templar will be present for the occasion, as well as Masons from the northern part of California and Eastern Nevada.

William E. Rowe, deputy grand lecturer of the 2nd district R.A.M. and Harry M. Callender, inspector of the seventh Royal Arch District are in charge of the festival planning.

ELMAY PHILIPPI IS HONORED BY STAR

Truckee Chapter No. 116, O.E.S. Saturday night honored Deputy Grand Matron Elmay Philippi at a reception in Masonic Hall with more than 200 attending. Mrs. Elizabeth Bavier, past matron, and James McIver, past patron, officiated as hosts.

Mrs. Lillian L. Miller, past matron and Mrs. Dorothy King, past matron, acted as marshals and Mrs. Mickie Mandeville as chaplain. The Rainow Girls were escorts with Bud Mandeville as flag bearer and the DeMolay boys as ushers.

Worthy Matron Pearl Heller and Worthy Patron Charles Heller presided at the affair. The hall was decorated in fall colors and the theme of the meeting was "On Wings of Autumn." The dining room was decorated in autumn leaves. Many clever presentations were made to the honored guest.

KINGS BEACH CHURCH TO HAVE SALE SOON

KINGS BEACH — The annual "Fall Festival" rummage sale, bake sale, Christmas Card sale, etc. will take place at the Community Methodist Church in Kings Beach on Friday and Saturday, October 1 and 2.

In addition to the full selection of clothing articles, there will be novelties, children's grab-bags, coffee and doughnuts (on-sale consumption) and a bake sale. The doors will open at 9 a. m. Friday, and the festival will end at noon on Saturday. Everyone is invited to come and enjoy themselves.

FATHER ROSWOG TO LEAVE FOR CAPITAL

Father Paul Roswog, assistant pastor of the Catholic parish in the Truckee, North Tahoe district for the past two years, is leaving October 7 to be assistant pastor at St. Rose's Parish at 38th and Franklin Blvd., Sacramento.

Father James Mulligan, currently with Sacred Heart Church at Sacramento, is scheduled to arrive here on October 7 to replace Father Roswog as assistant to Father P. J. O'Neill.

Father Roswog has made many friends here and will be missed.

Home On Leave

Private Bob Strickland, son of Mr. and Mrs. William Strickland of Soda Springs, is enjoying a five-weeks furlough from his duties with the Sixth Armored Division at Fort Knox, Ky. Following his return, the local boy will be sent to Germany where he plans to keep up with his skiing during the coming winter. Strickland has been in the army five months.

Three Mishaps On Highways Result In Serious Hurts

Sparks Driver Held After Kings Beach Man Is Injured

Felony drunk driving charges were lodged against Raymond Amos, 52, Sparks, Nevada, Saturday following an autmobile collision at Boca in which five people were injured, two seriously.

The second car was driven by Earl L. Nelson, 65, prominent resident of Kings Beach.

Taken to the Tahoe Forest Hospital by Truckee Ambulance were the two drivers, Basil Land, 42, Truckee, a passenger in the Amos car and Mr. and Mrs. William Delman of Kings Beach who were riding with Nelson.

Nelson and Land suffered major injuries.

According to Nelson's report to the California Highway Patrol, he was driving east when the Amos car came from the opposite direction and on the wrong side of the highway.

Nelson is a long time resident of Kings Beach where he and Mrs. Nelson operate Nelson's Court Motel.

Aside from the drunk driving charge, Amos was cited for being on the wrong side of the highway and speeding.

CAR IN RIVER

Daffus Hollins, 28, Oakland, escaped serious injury when he fell asleep at the wheel of his car near Cisco and the vehicle plunged down a 25-foot embankment into the Yuba River and then swerved across the river. The car was demolished. Hollins was taken to the Tahoe Forest Hospital with minor injuries.

BUILDER INJURED

Gerald Dumont Haskell, 57, construction superintendent for E. H. Moore Company, builders of the new Truckee school, was seriously injured and his brand new car completely demolished at 2:45 a.m. Wednesday, two miles west of Farad when the vehicle plunged down an embankment 50 feet and crashed into the Sierra Pacific Power Company flume.

Haskell was returning from Reno and told investigating officers he was blinded by oncoming lights.

The victim managed to crawl back to the highway where he was found by passing motorists and taken to the Tahoe Forest Hospital. Later he was removed to Reno for specialized treatment for head injuries.

POSTMASTERS WILL MEET AT SO. TAHOE

TAHOMA — Verne Scoggins, regional operations manager of the U. S. Post Office, will be the main speaker at a one-day meeting of postmasters of the National Association of Postmasters, California Chapter No. 4, Saturday, Sept. 26, at Tahoe Valley. Program schedules luncheon at Harvey's Wagon Wheel, followed by a meeting at Lake Valley Elementary School in the multi-purpose room from 3 to 5:30 p. m.

Work session speakers include Spiro B. Rafalivich, regional postal installations manager; Albert C. Berzesen, regional personnel manager, Nate Spindel, regional distribution and traffic manager; Nelson E. Poe, inspector in charge, and Ernest J. Arch, inspector for the Lake Tahoe and Nevada area.

A get-acquainted hospitality hour will begin at 6 p. m. at Connolley's Bijou Inn followed by the evening dinner and talk by Scoggins.

ASSUMPTION CHURCH PLANS INSTRUCTION

Assumption Catholic Church will hold a course of instruction beginning at 7 p. m. this evening in connection with the confraternity of Christian Doctrine under the tutelage of Sister Eva of the Sacred Heart Order of Reno, Nevada.

Father Patrick O'Neill announced that the classes will continue each Thursday at the same hour until the completion of the semester. Any one is welcome to attend and enjoy the sessions.

MARRIAGE LICENSE

Miss Arlene Lucille Copeland, 17 years of age and David F. Holleman, 19 both of Truckee were issued a marriage license Friday in Nevada City, California.

SUNBEAMS

By WALTER M. BARRETT

How valuable is local newspaper advertising to local business? Here's what the American Bankers magazine has to say: "No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns. This does not mean that you should have a whole, half or even a quarter page advertisement in each issue of the paper, but your name and address should be mentioned if you do not use more than a two line space. A stranger picking up the newspaper should be able to tell what business is represented in a town . . . it's the best possible town advertiser. The man or woman who does not advertise does an injustice to himself or herself and definitely to the town."

With the deer hunting season opening Saturday, we wish to issue a serious warning. There will be many hunters in the woods, so be sure it's deer at which you are aiming before you pull the trigger. It's far better to lose a hundred bucks than to wound or kill a human being.

Storm Eases Fire Danger In District

The potential fire danger was somewhat dampened by the rains last week, but is not over by any means, Henry Toccalini of the U. S. Forest Service said this week.

The rain storms last week left 1.48 inches of precipitation.

Fire suppression crews will probably be on duty until there is a snow storm, to eliminate all dangers of fires, Toccalini said.

On Monday the high temperature of 64 was recorded and the following morning the low for the week was registered at 27 degrees.

20-30 ETTES ENJOY STYLES AT MEETING

Patsy Tonini, president of the 20-30 Ettes, was host at a buffet dinner at her home Monday evening. All 20-30 Ette members and their guests were present.

Members of the club presented a fall fashion showing. Clothes were modeled from Cabona's in Truckee and Besio's in the Gateway Shopping Center.

Those present were: Maggie Copeland, Edith Forrest, Diane Morhain, Ella Dolley, Nancy Roberts, Marlene Thomas, Nancy Crose, Nadine Ramirez, Joyce Slate, Sylvia Quam, Barbara Crose, Evon Hughes.

PERSONNEL CHANGES AT PATROL ARE MADE

Changes in the personnel at the Truckee substation of the California Highway Patrol were announced this week by Sergeant Frank Snyder. Patrolman Trueman Alley, who has been with the local squad since last December is transferring to San Jose and will be replaced by Patrolman Robert Horton of Santa Barbara. The change is effective October 9.

Mrs. Virginia Paddock, who has been on a two months leave, is returning as dispatcher and Mrs. Ardene Keith, who has been replacing her, is returning to the Sacramento office October 1.

TWO LOCAL SUSPECTS ENTER GUILTY PLEAS

Jack Kennedy, 40, Truckee accused of child molesting and Walter Trenton Atkinson, 35, charged with car theft, each entered pleas of guilty Friday when they appeared before Judge Vernon Stoll in the Nevada County superior court.

They will be sentenced early next month.

Robert Fugazi, Truckee attorney had been appointed to represent the two.

In Arizona—

The Gordon Stewart family returned to Thatcher, Arizona, after spending the summer here.

Wolverines Win In Fallon Game; To Meet Bishop Here

Wolverines Look Good As Current Grid Season Advances

Last Friday night the local Tahoe Truckee Wolverines journeyed to Fallon, and western Nevada football fans were treated to a top-notch contest, undecided until the final play of the game. The final score was 14-13 with the Wolverines coming out on top of the perenially strong AA Nevada team. It marked the second in a row Cal Farley's local A contenders have taken the measure of a larger AA team from Nevada.

For the first time this young season the Wolverines had to come from behind Friday night. The Tahoe Truckee lads received and fumbled on the second play of the game, Fallon recovering on the Wolverine's twenty-one yard line. With third down and five yards to go, Mario Peraldo, hard driving Green Wave halfback, crashed over his right tackle, cut back and stormed into the end zone to put Fallon ahead 6-0. The Green Wave's conversion attempt was blocked. The Wolverines were not behind for long however. Following the ensuing kick-off, Truckee drove the length of the field for the equalizer. Quarterback Jerry Cinani's pass to left end, Bob Merica, was the pay-off play from twenty-four yards out. Sam Medford crashed over right tackle on the extra point to put the Wolverines ahead to stay.

Rain began to fall intermittently through the balance of the first half and the field, already quite

Dr. Brodie Here To Join Local Staff

Dr. W. D. Brodie of Walnut Creek will arrive here tomorrow to become associated with Drs. Ben R. King and Gardiner Pier in the practice of general medicine.

Dr. Brodie has been at Walnut Creek for the past two years and comes here highly recommended. He is a graduate of the University of Michigan Medical School and interned at the University of California Hospital at San Francisco and later practiced at Highlands Hospital at Oakland.

The newcomer specialized in obstetrics and gynecology as well as general practice of medicine.

Dr. Brodie is married and plans to bring his wife here immediately. They will build a new home at Donner Lake in the spring. Both are enthusiastic water and snow ski fans and are pleased with the prospects in this area.

DAYLIGHT SAVING TIME ENDS SUNDAY

The semi-annual headache for clock watchers is again about due. Daylight saving time goes bye-bye Sunday morning at 2 a. m. when standard time again takes the field for six months.

To keep in time, clocks should be set BACK one hour. This, as probably intended, permits an hour more snooze in the morning but shortens the evenings by the same hour.

TAHOE HUNTERS TO FOLLOW TRADITION

TAHOE CITY — True to their tradition, a party of intrepid nimrods met at Tahoe Inn from their home towns and left Tuesday morning complete with packs, for the Hell Hole back country.

The hopeful hunters included Bud Fink, Jim Cox and John Apland of Crows Landing, Leland Steffenson of Newman, Calif., John Nunes and E. Halsett of Patterson, Vic Grassini and H. Dieckman of Los Banos.

Guest Speaker

Mrs. Fred Pedley, district president of the Federated Women's Clubs was the guest speaker last week at the meeting of the Nevada City Women's Civic Club when she spoke on women's clubs in the nation and the role of the smaller clubs in a community.

Home From Bay—

Mr. and Mrs. Bruce Grow and family returned home after visiting her sister at Redwood City and attending a conference at Gilroy.

Contract Awarded For Classrooms As Board Talks Issues

At the last meeting of the governing board of the Tahoe Truckee Unified School District, a contract was awarded W. A. Schmidt for classroom additions at the Kings Beach school. His bid was for $207,390.

The only other bid was submitted by John F. Otto for $207,968.

At the same meeting, the board accepted a bid of $23,641 for a new school bus offered by Crown Coach Corporation.

C. Z. Smith and Fosten Wilson appeared before the board relative to a summary of insurance coverage for the school. After a discussion, the matter was held over until the next meeting and the two local agents were invited to attend the next regular session.

District Superintendent John Corbin informed the board that the kindergarten at Kings Beach is now on double ssession and that the school otherwise is crowded and the multipurpose room has been divided to provide classrooms. It was the consensus of the board that outside space be rented to alleviate the condition.

At the request of Herbert Obexer, who said he was speaking as a taxpayer rather than as a member of the board, the matter of leasing elementary schools in the district to the California Olympic Commission during February was reopened for discussion.

Corbin explained that the state is going to pay salaries of personnel, such as custodians, etc. and all other expenses incurred during the period. The commission will also furnish bedding, linens, food supplies and other services at no cost to the school and will carry full insurance to protect against any damage or losses.

Gordon Moyer, member of the Olympic Civic Committee, expressed that group's satisfaction that arrangements made are fair and equitable and that benefits should be derived by all concerned.

Mrs. Harriet Price and Mrs. Alice Price were employed as substitute teachers for the Tahoe Lake school.

It was decided that during the current year no skiing instructions will be given in the district, the program being suspended by the board for the 1959-60 schol year.

DATES OF RUMMAGE SALE ARE CHANGED

The dates of the annual rummage sale sponsored by the W. S. C. S. will be September 24, 25 and 26 instead of September 17 and 18. The yearly event will take place in the basement of the Church of the Mouutains building under the chairmanship of Mrs. C. Z. Smith and Mrs. Jack Gross who are asking for donations of clean clothing and household articles in good condition. The sale will be open Thursday evening, September 24.

Those wishing to make such contributions are asked to call LU 7-3709 or LU 7-3123.

MRS. C. O. VALENTINE EXPIRES IN NEWPORT

Friends of Mr. and Mrs. C. O. Valentine in the Lake Tahoe-Truckee region were saddened to learn of the death of Harriett B. Valentine, September 12 in a Newport Beach hospital after a short illness. Last rites and inurnment were held at Costa Mesa.

Mrs. Valentine was 86 years of age and the couple would have celebrated their 64th wedding anniversary the latter part of this month. They traveled throughout the world and kept in touch with their local friends by way of interesting messages since leaving Lake Tahoe 15 years ago to make their home in Costa Mesa. She was a native of Ontario, Canada. Carlton O. Valentine, her husband survives.

Ohio Guests—

Mr. and Mrs. C. F. Johnson of Ravenna, Ohio are spending the week with his brother-in-law and sister, Mr. and Mrs. Leslie Grow and his mother, Mrs. E. Johnson. Mr. Johnson works for the Davey Tree Surgery Co. of Ohio in a supervisorial capacity.

CAKES FOR SALE

Members of the Truckee Co-operative Nursery School are preparing a bountiful array of cakes, other pastries, candies which will be on sale at Truckee Mercantile, Sept. 25 from 9 a. m. until 2 p. m. or until the tasty desserts are sold.

Highway Opening Delayed As Fete Marks Dedication

Johnson, Cameron Share In Honors Dedicating Local Freeway

Although the new freeway between Donner Lake and Floriston was dedicated today, William Green, resident engineer for the division of highways, said the recent storms delayed completion of the project and traffic will not be permitted on the route before Sunday.

Preparations were completed this week for the dedication at noon today of the new freeways extending from 1.4 miles west of Truckee to Floriston and providing 21 continuous miles of four-lane highway between Donner Lake and the Nevada State line.

Congressman Harold T. (Bizz) Johnson and State Senator Ronald Cameron were scheduled to share honors in breaking down the barricade on the new highway just back of Tahoe Forest Hospital.

A number of state and local officials were in atendance. The Truckee Donner Chamber of Commerce, headed by President N. F. Dolley arranged the observance to honor the contractors and others who have assisted in the projects. The high school band is slated to provide music.

The dedication is shared for two seperate contracts. The first was for Frederickson & Watson and Ransome Company which had the 8.8 miles from Donner to Boca for $7,620,605 and the second to Isbell Construction Company and Granite Construction Company which have completed the Boca to Floriston project.

These two, added to the $5,500,000 contract on the Floriston to state line, plus the Frederickson and Watson and Ransome job on Highway 89 from Truckee to Squaw Valley, brings to a total $21,802,546 spent on highway in California east of the Sierra summit in this immediate area during the past two years.

The Floriston to State Line job was dedicated in July, 1958 by the Truckee Chamber of Commerce.

Following the ceremonies this morning, a no-host luncheon was held at Smart's.

Governor Sawyer Inspects Valley

Governor Grant Sawyer led a group of civic leaders and newsmen on a formal inspection tour of Squaw Valley on Monday September 21, and was greatly impressed with the activitv and progress apparent at the site.

Accompanied by Mavors Bud Baker of Reno, Oran Gragson of Las Vegas, and Harley Carter of Carson City, along with members of the Reno City Council and the Board of Supervisors of Ormsby County, the governer spent the day viewing the construction of buildings and Olympic facilities and predicted that the Squaw Valley location would be one of the great tourist and sport attractions in the country on completion.

The governor and his party were guests of Mr. and Mrs. Wayne Poulsen, prime developers of the valley at luncheon in the Bear Pen in the valley, then participated in a complete tour of the area with Jack Geyer, director of publicity for the California Olympic Committee.

The governor was particularly enthusiastic on viewing the Nevada hospitality center, the states contribution to the Olympic scene. He praised the location and the architecture, and indicated that he felt that it would be one of the most prominent and popular locations at the site. He stated that he felt that the money the state had spent on the building was well spent and a credit to the state.

THIRD PLANE CRASH AT TAHOE KILLS ONE

AL TAHOE—Mathew J. Margolati, 36, San Jose was killed and James Lampman of Al Tahoe, identified as the pilot, and James Gray, Stateline, were seriously injured in the second fatal airplane accident at the new Lake Tahoe Airport at the south end of the lake Sunday. It marked the third crackup of planes here since the port opened two weeks ago.

The first fatality occurred a week ago when William Bailey, 33, burned to death after his plane flipped and fell 50 feet to the ground.

On the same day two fliers escaped when their plane landed in trees.

Officials said the pilot in the latest crash violated an airport turn over the field at less than 6,000 feet altitude.

WEATHER

Sunday morning, quite cool but the sun is shining. We are hoping for our usual Indian Summer.

IN FRESNO

Ace and Mary Abbott after so many happy years at Kings Beach, have moved to Fresno. We sincerely hope not for keeps. Ace and Mary wish to say hello to their host of friends in the area. Their good council and friendship will be missed. Their address is 4697 East Yale Avenue, Fresno. Thanks for your note, you good folks, and good health and good luck. Shall try and keep things in order the short time you are away. Drop them a line . . huh?

CLOSED

Seems funny to see the proud Cal-Neva close, saw Wingy Grober today. He and his sweet wife will be here for a while yet.

LEAVE

George and Bee Ridgway are leaving Tuesday for Palm Springs. They have bought the Sage & Sun Motel and expect to be back next summer.

NEW NEIGHBORS

Mr. and Mrs. Harvey Klitzke, Sr. have had as their house guests this past week, Mr. and Mrs. Warren K. Strahm from Sherman Oaks. They had a lovely party at the "Christmas Tree Inn" for Mr. and Mrs. Strahm and Sam and Audrey Harrison. The Strahms have fallen so in love with our beautiful Lake that they have purchased the Sam Harrison house on Brassie Ave. We are not going to lose Sam and Audrey Harrison, they are going to build a beautiful home right next door where they own three nice lots. Mr. Strahm retires next summer and we surely welcome them to the lake.

BACK FROM WEDDING

Babe and Harvey Klitzke have just returned from Los Angeles where they attended the wedding of their niece, Virginia Mae Ellis to Parker Dinwiddie of Reno. The bride and groom are seniors at Oregon State College where they are returning to graduate. They will then return to Reno to make their home in Reno where Parker's family Mr. and Mrs. Stewart Dinwiddie reside. Mr. Dinwiddie is president of the Dinwiddie Construction Company.

HAWAII BOUND

Jack and Velda Farris drove to San Francisco where they met friends from Los Angeles and caught a plane to Honolulu. They will spend a week and enjoy a much needed vacation.

JOHNSON NAMED ON ON COMMITTEE TO STUDY ROAD WORKS

WASHINGTON — Congressman Harold T. (Bizz) Johnson, second district, California, has been appointed to a select subcommittee of the House committee on public works to investigate the federal aid highway program. The subcommittee will include in its investigations a study of all policies, procedures and practices involved in the administration of the road program.

Johnson pointed out that the chairman of the full committee, Representative Charles A. Buckley, considered it necessary to appoint a special investigative subcommittee "in view of the magnitude of the program, increased cost problems and other information that has come before the committee alleging deficiencies, wasteful extravagance, and disregard of public sentiment in routing portions of the interstate system."

The House recent passed a highway bill providing for a one cent per gallon increase in the federal gasoline tax for the next 22 months to help finance the existing authorized projects throughout the country.

The Lincoln Memorial in Washington, D. C. was dedicated on Memorial Day, May 30, 1922.

NOTICE OF HEARING SETBACK VARIANCE, LAKE TAHOE, MIRAMAR HEIGHTS

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Planning Commission on Friday, September 25, 1959, and Friday, October 9, 1959, at the courthouse, Auburn, Placer County, California, at the hour of 9:30 a. m., to consider the application of Charles E. Brown for a variance to build a garage on the front property line, located on the following described property:

Portion of Lots 1 and 2, Miramar Heights Tract; Highway 89, Tahoe City area.

Said variance is requested because of snow removal difficulties in the winter months.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

HARRY STUBLEY, Secretary
Placer County Planning Commission
NANCY CAPERON, Clerk of said Commission

Jean Callender returned last week from San Francisco where she attended a reception for Bill and Pat Callender recently married at Tahoe, given by Pat's parents, Mr. and Mrs. John Donald Campbell. Some 300 guests attended the affair and the young folks danced until breakfast. Ben and Jean are currently operating the West Shore Lodge. Seemed like old times to see them there again.

Jean also visited her sister, Mrs. Harriett Hemenover of Santa Rosa, just back from a summer tour of Europe. Surrounded by gifts, Jean displayed them for our delectation —lovely dolls from India, Switzerland, Hong Kong — ties for Ben which came from Callender, Scotland, and some wonderous smelling perfume from Paris.

Gov. Grant Sawyer of Nevada led a group of civic leaders and newsmen on a tour of the facilities of the Olympic site at Squaw Valley on Monday. The governor was accompanied by Reno Mayor Bud Baker, Mayor Oran Gragson of Las Vegas, Ed Questa, chairman of the Nevada Olympic committee, along with members of Reno's City Council and the Ormsby County Board of Supervisors. Nevada made her second major contriution to the 1960 Olympics last week with approval of a $163,000 claim. This claim will be paid to the California Olympics organizing committee for the Nevada Olympics Center at Squaw Valley, which will be completed next month, and dedicated in December.

Twenty-five Grass Valley Golf Club members journeyed to Tahoe for an invitation tournament with the Tahoe City Golf Club Sunday. A barbecue at the Tahoe Golf Club followed the tournament.

* * *

Last week's deluge made everybody happy. The hunters appreciate the snow cover on high levels which makes deer tracking easier. The fire service can take a breather of relief for this soaking reduction of fire hazards while hunters are in the forests. Noted that Bud Jones of Squaw Valley is all set for his back-country hunting parties.

* * *

Sunday morning Gordon Moyer read the sermon to a crowded assembly at St. Nicholas Church in the temporary absence of Vicar Welsh.

* * *

Mr. Ernest Marier, president of Tahoe City's P-TA was pleased that the benefit dinner last week drew a fine crowd and was most successful. A delicious ham dinner was served in the new all-purpose room, which is constructed with fold-down wall tables to accommodate large groups. The occasion was a fine opportunity to show off the new building and get-acquainted with the new school staff. There was no scheduled program but Superintendent Reynolds and his wife were graciously assisting in the greeting of the parents and their friends. Both boy and girl students in the upper grades served the guests.

* * *

Mr. and Mrs. Philip Gallinger of Auburn spent several days last week at Tahoe Inn where they enjoyed seeing their old friends from the Tahoe City community. Many residents will remember Mrs. Gallinger as one of the first teachers at Tahoe City when it was a one-room school.

* * *

Mrs. Bob McMahon of Tahoe Pines is reported getting along very well after a sudden illness last week when she was taken to Truckee by the volunteer fire ambulance, in Mr. McMahon's absence.

* * *

Mr. and Mrs. Calvin Moore were at their home "Fernmoore" for a few days—making this their 51st summer at the lake. They almost didn't make it but didn't want to mare their record of 51 consecutive summers at the lake.

* * *

The Tahoe Women's Golf Club enjoyed a dinner at North Shore when prizes were awarded.

* * *

A slide was reported at Emerald Bay during the rainstorm last week but road was reopened Saturday.

* * *

Earl Christensen, who has headed the Olympic Ski Patrol, has been named security chief of the Winter Games at Squaw Valley. Offices will be at Squaw Valley. A native of Cleveland, Christensen graduated from Ohio State U. and is a member of the National Ski Patrol System, and both the New York and Los Angeles clubs. For several years past he has spent periods of time at Squaw Valley on behalf of the Olympic Ski patrol activities. For the past 11 years, he has been a special agent for the FBI and during World War II, served with the office of strategic services in command of paratroop guerillas.

* * *

Euel and Arlis Pritchett of Homewood are preparing to leave for the winter. Their plans include meeting Glenn Black of Santa Cruz, who summers at Tahoma, and meandering down the southern coast into Mexico.

* * *

Miss Jeanne Olson, of Chicago, niece of Gretta Poulter of Poulter's Lodge, Tahoma, has spent the summer here and hopes to make Tahoe her permanent home. Jeanne has skied most of the areas in the U. S. and is looking forward to a winter here.

* * *

A branch of the Placer County Building Dept. has moved into the vacated fish hatchery at Lake Forest on State Highway 28. Two inspectors will be stationed there. Hours are 8 a. m. to 5 p. m., Monday through Saturday. The office was moved from Tahoe City.

* * *

Many friends of Bill Stead at Tahoe was relieved that he escaped serious injury in the President's Cup Race, Washington, D. C. The hydro-Maverick sailed about 30 feet through the air, inverted and then hit the water. Too bad Maverick behaved like it's namesake, after racing up wins in the Gold, Silver and Diamond cups to lead the national point standings by a wide margin.

According to the prophecies of mountaineers of long-standing, it's going to be a heavy winter. They point to the great number of yellow jackets in the hills above Squaw Valley, northwest Lake Tahoe and McKinney Creek. "Sure sign of a big winter," chorus the old-timers.

* * *

Visiting Squaw Valley last week was T. Shikata, a Tokyo pearl dealers, who is also manager of the Japanese Olympic Games team.

* * *

Mrs. Rose Neldam entertained last weekend Mr. and Mrs. William Van Valer of Alameda, Dick and Florence Gillette of Sacramento, Dick Dickerson of Oakland, Chris and Maybelle Thompson, Rio Vista, Opal and Tommy Thompson, San Francisco and Mount Shasta. A party of 17 dined at the Mapes Hotel to celebrate Mrs. Neldan's birthday Sunday. Also in the party were Svend Aage Neldam, Oakland, and Eva Crowell.

* * *

Young Jake Obexer and his mother, Edna, celebrated birthdays last week. So did Susie Kettenhofen, daughter of Ray - Ketenhofen of Chambers Lodge.

* * *

Hank and George Alrich of Tahoma and Lincoln are off to school in Scotsdale, Arizona.

* * *

Harold Smith is now living in Palm Plan Desert. His Homewood gift shop is for sale.

* * *

Ben and Jean Callender have construction started on their new lake front motel at Homewood.

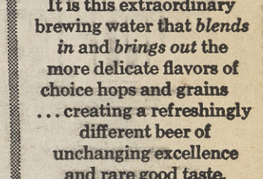
The buried treasure of Tumwater



Before the turn of the century, buried treasure was discovered at the little town of Tumwater in Washington State. The treasure was water! *A most unusual water.* A water so fresh and pure that it was *naturally perfect* for brewing just as it flowed from the earth. It was here that the Olympia Brewing Company was founded. And today, over sixty years later, the water continues to flow in unlimited quantity from deep artesian wells with the precise character for perfect brewing. Rarely, in all the world, has such a water been discovered. It is this extraordinary brewing water that *blends in* and *brings out* the more delicate flavors of choice hops and grains . . . creating a refreshingly different beer of unchanging excellence and rare good taste.

TAHOE TRUCKEE SCHOOL NEWS

TRUCKEE ELEMENTARY

KINDERGARTEN: We are all very happy in our new kindergarten room. We have enrolled eighteen boys and seventeen girls. On Friday we went for a walk to see all of the big new building.

FIRST GRADE: We have 36 children in our class now. Kathy Osburn is six years old now. She celebrated her birthday this week.

Gary Grow has been on a trip to Sacramento this week.

FIRST & SECOND: We have been studying about our home and family. Gary Schumacher brought his chipmunk to school. Pat Teel brought his pet lizard to school.

SECOND & THIRD: The second and third grade rooms have 36 enrolled. Tom Teal has found a perfect arrowhead on the school ground. Dottie Kirk brought in a spearhead.

Best spellers this week are: Kathryn Campbell, Larry Doyle, Michael Davis, Augie Acosta, and Claudia Rhoades. The children love the new school they are very grateful. On rainy days having physical education in so beautiful a gymnasium is wonderful.

THIRD GRADE: The following boys and girls were elected officers for the month of September: Jeff Jellin, president; George Franceschini, vice president; Elizabeth Richards, secretary and Curtis Melugin, treasurer.

Many thanks to Mrs. William Davis and Mrs. Walter Jellin for volunteering their services as room mothers.

Monitors for the month are: Jack Mitchell, milk; Anna Maria Collier, paper; Terry Higgins, sink; Joe Reichlin, board; Tammie Richards, calendar; Joe Merica, librarian.

FIFTH GRADE: After a thrilling election, Don Whiteneck emerged as the president of the fifth grade. Other officers by popular demand were: Jim McLane, vice president; Susie Olano, treasurer; Mary Moore and Jack Melugin, sergeant-at-arms.

Two lovely little twins, Lonnie and Patsy Tapia have joined the fifth grade. Because of their vivaciousness they are known as the little dollies.

SIXTH GRADE: The sixth grade won the first room count banner of the year at the P. T. A. meeting, Monday night.

We have been doing map work and written assignments on the Latin American Countries. A very interesting project we did in science was the dissecting of a eye-ball.

SIXTH & SEVENTH: In Mr. Hany's sixth and seventh grades we have had many interesting experiments about water and its uses and several movies on the subject.

Steven Davis and David Sorani are drawing a scale model of an atomic air force base.

SEVENTH: The bell rang and we were off to another school year. Only this time we were off to a new experience. A new school and a few new teachers.

We are presently in the 7th grade and expect to acquire the many skills necessary for further education.

Familiar faces are in our class, but we also note a few new ones: Bob Warfield, Fay Grant from Canada, Bicandi Antionette, July Householder, Anthony Crespo, Michael Brazil and others. To list those among us who receive one hundreds for school work would be quite a task. We feel that our whole class is worthy of mentioning, so in by-passing this task we send our greetings and thanks to all the wonderful people who made our new school and new experiences possible.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse. Truckee.

Everyone Welcome
Sunday School: 9:30 a.m.
Morning Services: 11 a.m

God's infinite wisdom and goodness will be brought out at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Reality" is the Golden Text from Psalms (52:1): "The goodness of God endureth continually.'

Citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include (275:14): "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love. No wisdom is wise but His wisdom; no truth is true, no love is lovely, no life is Life but the divine; no good is, but the good God bestows."

From the Bible will be read (Ecclesiastes 2:26): "For God giveth to a man that is good in his sight wisdom, and knowledge, and joy."

DONNER DOINGS

BY VIRGINIA O' BEAR

On Tuesday, September 29, several young ladies from Donner Lake will appear on television doing some Hawaiian numbers. The show is scheduled for 4:45 over KOLO, channel 8 and Bob Carroll will introduce the girls. First to appear will be Donna Horman, Sharon Ford, Debbie Pratt and Diana Fair. They will do "Sleep Little Baby." Second number on the show will be "Lovely Hula Hands" by Jennifer O'Bear. The final number will be "Medley of Hula's" by Miss Renee Hall, dance instructor who taught the little girls the various dances. All of the girls live at Donner Lake with the exception of Diana Fair and Miss Hall, who lives at nearby Meadow Park.

Many people at Donner are wondering what will happen when the new highway over the summit goes through. So many are worried about snow removal and whether or not the roads will be kept open in the winter. I talked with Henry Loehr and he informed me that a law had been passed to keep the road plowed at Donner Lake. Whether it will be by the state or county has not been decided but we do know that Governor Brown signed for the new law as well as the senate and assembly and reads as follows:

Section 1. Section 95 is added to the Streets and Highways Code, to read:

Whenever the commission relinquishes any portion of any state highway superseded by relocation and the constructions of a freeway and when the department has prior to relinquishment maintained snow removal operations on the portion of state highway relinquished and when property having access to the relinquished portion of state highway was developed for winter recreational purposes at the time of relinquishment, the department may with the consent of the county or counties to which the road is relinquished, maintain snow removal operations on all or a portion of the state highway which has been superseded by relocation.

I hope this will ease the minds of a few worried people at Donner as well as a few out of towners who read my column.

A very delightful meeting was held at Donner Lake Lodge last Thursday when the Ladies Auxiliary of the Donner Lake Volunteer Fire Department met for their first dinner meeting in several months. A report was given by Mrs. Emery Lander, our fire chief's wife, telling members about the plans and progress the firemen are making with the firehouse to be built very soon. A lot of material and labor will be donated and the firemen will be notified when to start work! Many auxiliary members celebrated their birthdays this month so when they added up the figures from the "pig in the poke", it was nearly fifteen dollars and a lot of fun! Members celebrating birthdays were Lona Boren, Helen Doolittle, Fredna Smith, Dorothy Slack, Elaine Lander and yours truly, Virginia O'Bear. Next meeting will be held at Donner Lake Lodge on October 15 with the board meeting on Monday, October 12 at the home of Mrs. Richard Walker. Members of the auxiliary are welcome at any time to the board meetings.

What happened? I did not see many local people out at Donner Lake Lodge Saturday watching the Swiss wrestlers. Could be the weather scared some of you but it did not dampen the spirits of the Swiss people nor the Swiss Wrestlers. I went down for a little while with my two little wrestlers and we thought that if those people could wrestle in the rain and enjoy themselves so much, we could stick it out, too. I enjoyed watching very much but my son Mike kept watching the little fellows with the handlebar mustaches. My daughter Jennifer liked the clothing that some of the Swiss ladies had on and I am just sorry that we could not stay for the folk dancing which took place Saturday night. I understand they were dressed in native Swiss costume for the festivities. I'll go again next year, it's interesting and different.

A meeting of great importance will take place at Donner Lake Lodge Monday night at 8 o'clock, September 28. All motel, hotel and lodge owners are urged to attend who are in business at Donner Lake. The purpose of the meeting is to form an organization of just motel, hotel and lodge owners for the purpose of coordinating advertising of our Donner Lake Area. There will be speakers present to inform us on the importance of such an organization which should be started now to reap the benefits when the freeway materializes in a few years. Operation motto, "Stop Over At Donner." We need to get-together now if we expect to keep Donner Lake the popular spot for all recreational activities. All motel, hotel and lodge owners at Donner, please come and voice your opinions and give ideas, it's for your own good in the future! Don't forget . . . Monday night, September 28, 8 o'clock.

I know that a lot of people at Donner Lake are having out of town guests and many local people have gone on vacation. I want to mention everyone and show no preference but at times I just do not find out what is going on. Sometimes I find out things that I shouldn't and also things that I cannot put in the column. If you will just be patient with me I will get information on all of you that can be printed. Just call me at LUther 7-3688 and I will be so happy to let other people know what is going on at Donner Lake. We have to keep Donner Doings, doing!

The G. A. A. planned the girls' athletic program for the coming year at a recent meeting of the group called by Carol Bailey, president. Among the sports to be played are tennis, archery, volleyball, basketball and softball. Tennis and archery will be the first. Also discussed were plans for the homecoming dance on October 17. Stephie Firpo is in charge of this event.

Beverley Gunkel, 17, a member of the Class of '59, was elected queen of the Lake Tahoe Airport last Sunday. She bears the title of "Miss Lake Tahoe Airport—Queen of America's All Year Playground." She was crowned by singing star Anna Maria Albergheti, and received a congratulatory kiss from the master of ceremonies, Dennis Day. Bev's attendants are Gail Richardson, of Reno, and Carolyn Gordon, of Meyers.

We have a new face among the girls. She is Miss Evelyn Ames, the new P. E. teacher. Miss Ames has been a resident of Reno for the past 15 years, and is a graduate of Reno High School. She also attended the University of Nevada and graduated in the spring of 1959 with a Bachelor of Science degree. Miss Ames was referee for many of the girls' basketball games in the Nevada League, and she is a member of the WNORC. Her favorite sports are tennis, swimming, softball and badminton.

The library at Tahoe-Truckee High School is in the process of being enlarged, and space will be provided by using Room 1, which adjoins the library. Roy Baker, the librarian, said that the text books will be kept in this room. The center shelves will be removed and tables and chairs added to provide study space for 18 more students. This change was not made earlier because of the possibility that the new wing would not be completed in time for the opening of school, in which case Room One would have been used as a classroom.

The cheerleaders and songleaders for next year are: varsity—Jo Ann Pomin, head; Kaytie Corbin, Tina Gruendemann and Sherry Thatcher. Junior varsity—Margie Mandeville, head; Adriene Davis, Carol Hampton, and Ginger Barnes. Songleaders are: Debbie Bradley, head; Dee Dee Frates; Alberta Putynkowski, and Janay Pelletier. The two groups are sponsoring a dance at the high school September 25. This will be the first dance of the year. The theme is "Lavender Blue."

This year Student Body Cards are being sold for $5.00 and admission to the games for card holders is free. Without cards admission to the games will be $1.00 for students and adults.

BLOOD DONORS MAY SHORTEN JAIL TERM

SACRAMENTO — (CNS) — A county jail prisoner serving a sentence of 30 days or more can have five days deducted from the sentence for a donation of a pint of blood, even if the sentence is for a "fine or imprisonment until the fine is paid."

Attorney General Stanley Moss made this ruling, in answer to a question from Joseph L. Heenan, Yuba county district attorney.

"The intent of the legislature in enacting the various laws pertaining to credit for good behavior and for blood donation was to reward prisoners for their cooperation and to encourage their rehabilitation," the opinion said. "For this reason, those sections which bestow credits should be given a liberal interpretation so as to facilitate the accomplishment of these ends.

"Accordingly," the opinion continued, "a prisoner imprisoned until a fine is paid entitled to the credits bestowed by section 4252 of the Penal Code, if he satisfies the other qualification established by the Penal Code chapter."

DONNER SUMMIT NEWS

BY DONNA POWERS

TTA MEETS

At the regular monthly meeting of the Tahoe-Truckee Teachers Association held September 15 in the Tahoe Lake Eelementary School the district's teacher membership voted against disbandment. With only 14 dissenting votes cast the organization made what is one of the most important decisions it will ever make. The groups felt lack of progress toward worthy goals set up by its constitution has been a concern at previous meetings until disbandment seemed an obvious answer. Several other possible solutions to the situation were presented before a majority of the membership voted to continue holding monthly meetings. with an eye toward fulfillment of the needs felt by the teacher membership, a strong program and social committee has been selected to serve during the forthcoming school year. It was announced that school will no longer be excused early in the day to allow teachers to attend these monthly meetings. This will eliminate the student loss of class time. President of the Tahoe-Truckee Teachers Association James Reynolds announced that next year the Tahoe-Truckee School District will have attained the necessary number of students enrolled to enable its teachers to enjoy the benefits of tenure.

LE GALLEY RETURNS

Following a two weeks rest at his Kingvale home Hal LeGalley has returned again to the bay area hospital for further treatment of his illness.

FIRE PUT OUT

A task seldom achieved in the Donner Summit area was performed recently at the Lyddane home in Soda Springs. A fire broke out on the dry roof of the home when some burning material escaped from the open fireplace chimney. The flames were discovered very soon atfer the fire broke out and Lyddane was able to get water to the blaze through the use of a small garden hose. Neighbors were called by phone to aid as the flames spread to the attic. Because of the early discovery, the abundance of water and the sufficient supply of manpower, the fire was put out before any real loss of property occurred. Fires are seldom brought under control in this area before a much larger loss occurs. The firefighters are to be commended.

LEAVE FOR GERMANY

Monday, September 14, Ilsa Bisson together with her children Elizabeth, Phillip, Robert, Gloria and Barbara, left Soda Springs for Germany. Mrs. Bisson will enjoy a short stay with her mother before she returns. The four older children will enter school in Germany where they will stay for approximately one year. Barbara the youngest child will stay with her grandmother. Mr. and Mrs. Bisson expect to make a trip later in the year to Germany together with Mr. Holmwood, owner of the Viking Gift Shop in Tahoe City.

CATECHISM CLASSES

Monday, September 21 the first in a series of Catechism classes for Catholic children in the Donner Summit area was held in the Donner Summit Lodge. The classes are conducted by Father Roswog of Truckee. Students with written permission from their parents will be allowed to get off the school bus at the lodge.

SHOWER HONORS BRIDE

A bridal shower in honor of Wanda Burchfield Caumri was held recently in the Norden home of Mrs. Betty Hampton. The ladies present were Mrs. Monroe, Mrs. Del Carlo, the bride's mother, Mrs. Burchfield, Mrs. DeWitt, Mrs. Fredericks, Mrs. Board, Miss Power and Mrs. Hampton took great pride in writing out a favorite recipe for Wanda then explaining it in detail to her. Many lovely gifts were presented to the honored guest which she will use in her Truckee home. Delicious refreshments were served by Mrs. Hampton. Wanda and her husband George were married in the Park Wedding Chapel in Reno on August 23. She says she plans to continue school at the Truckee High School. Her husband is currently employed by a local logging company.

WEATHER

Beginning Monday, Sept. 14 the Donner Summit area saw its first snow storm of the season. Very wet snow which stayed only on the high peaks fell through Thursday morning. During most of the week the sky was overcast with intermittent rainfall until Sunday which was warm and sunny. The Central Sierra Snow Laboratory at Soda Springs reports a total of 2.50 inches of rain from the storm.

MORE TIME

Donner Summit residents are already planning what to do with the extra hour they will have the coming weekend do to the change in time.

NOTICE TO BIDDERS

INVITING SEALED BIDS FOR COLLECTION AND DISPOSAL OF GARBAGE. AND PERFORMANCE OF RELATED SANITATION ACTIVITIES FOR TRUCKEE SANITARY DISTRICT.

NOTICE IS HEREBY GIVEN that Truckee Sanitary District, pursuant to authorization of its Board of Directors hereby invites, and said Board of Directors will receive, sealed bids for the collection and disposal of garbage, and the performance of related sanitation activities in accordance with and pursuant to this notice, the Bid Form, the Contract, General Provisions and Terms and Conditions for disposal of garbage, Ordinance Number Five as amended by Ordinance Number Six, which said documents are on file in the District, and reference is hereby made to the same for greater particularity, all of which are hereby incorporated in this Notice, and made a part hereof as if set forth in full.

HIGHWAY CREW BUSY ON EMERALD ROUTE

The division of highways is starting work removing loose rocks from the high slopes on State Sign Route 89 around Emerald Bay between Bay View Rest and Bliss Park.

Traffic on this highway will be subject to delays up to 45 minutes during working hours.

Due to snow slides and rock fall that occur on this portion of this highway, it has not been possible for the division of highways to keep this road open during the past winters.

However, there has been no movement of the big slide at Emerald Bay since stabilization work was completed in 1956, and this work is now being undertaken to lessen the danger from rock fall and snow slides.

Should a mild winter again develop, such as occurred during 1958-59, efforts will be made to keep this road open as often as possible. The work will also permit as early a spring opening as possible should a severe winter develop.

The work is under the supervision of Alan S. Hart, District Engineer in Marysville, and is being handled by Superintendent Frank Fox of Truckee. Rented equipment and local labor is being employed on the work.

$5,000,000 SALE OF LAKE LAND REPORTED

RENO—The sale of 9,000 acres of Lake Tahoe area land in the Incline- Crystal Bay area for $5,000,000 cash was confirmed by Robert L. McDonald and Dyer Jensen of the law firm of Bible, McDonald and Jensen representing the purchasers.

Arthur L. Wood of Oklahoma City, acting as trustee for a group of Oklahoma, Kansas and Hawaii investors, purchased the property from Capt. George Whittell, ex-

BUILDING AT TAHOE CONTINUES TO GROW

AUBURN—The building boom in the Lake Tahoe continued to break all records during August, accounting for more than half of the total valuation in the county.

County Building Inspector Gus Reeves said permits with a total valuation of $1,656,848 were issued for the lake section during the month. Building valuations for all the county amounted to $2,257,150.

Nearly half of the construction was for dwellings which includes motels, hotels, houses and cabins. Reeves listed the total as $1,070,708.

Major construction projects, all in the Lake Tahoe area, included a $430,000 permit for the construction of three buildings for the California Alumni Association in the Squaw Valley area, a $100,000 permit for a Catholic church in Squaw Valley and a $250,000 permit for a motel in Tahoe City.

ercising an option acquired from John Maloney, Seattle attorney, for $100,000.

The transfer of title includes approximately 11,000 feet of lake front, and will take place as soon as the necessary paper work is done by the Nevada Title Guaranty Co.

Wood and his associates said they had no plans at the present for the property as they bought it as an investment and for future appreciation.

APPEAL IS MADE FOR CARE IN HUNTING

Fish and Game Director William E. Warne today sent an urgent appeal to sportsmen to use extreme caution while hunting or fishing this fall.

The appeal came as Governor Edmund G. Brown announced he will not close down the state's timbered areas to hunting, fishing and vacationing as logging industry and state forestry representatives asked him to do earlier in the week.

A high fire hazard exists throughout the state, but it apparently is not grave enough at this time to warrant a state-wide fire closure.

Warne called on hunters, particularly, to mind their best fire manners while out this fall.

"They stand to lose a great deal by carelessness," he declared. "Not only can they lose hunting privileges this fall, but they stand to lose a lot more in succeeding years if a great amount of game habitat is destroyed by fire."

Carelessness, particularly with fire, has still another adverse effect on the sportsman's hunting and fishing privileges, Warne pointed out. "Landowners do not welcome the return of negligent visitors and many have posted their lands against hunting and fishing because of a single bad experience," he said.

Warne again asked sportsmen to remember the following fire safety rules:

1. Break matches in two to be sure the flame is out.
2. Carefully put out cigars, cigarettes and pipe dottle.
3. Use an ash tray in the car.
4. Keep a handy pail of water in camp at all times.
5. Make sure campfires are dead out before leaving camp or going to bed at night.

HOSPITAL GROUP TO ALLOCATE FUNDS

SACRAMENTO—(CNS) — The advisory hospital council of the state department of public health will meet in Los Angeles Sept. 29 and 30 to allocate $15,641,234 in state and federal matching funds for construction of hospital facilities.

The funds will be allocated on a basis of area priority need throughout the state in eight categories: general, psychiatric chronic and tuberculosis hospitals, diagnostic and treatment centers, rehabilitation facilities, public health centers and nursing homes.

The allocations will be made on the afternoon of Sept. 30. The first day and a half of the hearings will be devoted to presentations by some 80 applicants. Applications now total some $91 million, indicating the state-federal funds will be sufficient to provide two-thirds financing for only a small number of the proposed projects.

COMPACT GROUP TO MEET AT CAPITAL

SACRAMENTO—(CNS) — The California-Nevada Interstate Compact Commission of California will hold a hearing Sept. 25 in Sacramento to discuss proposals for allocation of waters of Lake Tahoe between California and Nevada.

So far, the California contingent of the compact commission has not been in agreement with its Nevada counterpart. California has contended the need for full development of the Lake Tahoe area, the majority of which is in California, should come above downstream uses in Nevada.

LAST RITES ARE HELD FOR CRASH VICTIM

Last rites for John Ortiz Marin, 32, fatally injured in an automobile accident last Thursday morning were held Saturday at 9:30 a. m. in Our Lady Guadalupe Church in Sacramento with interment in St. Mary's cemetery there.

Marin, a native of Monterey, California, was born September 17, 1927 and was killed on his birthday 32 years later.

Surviving are his wife, Mrs. Bernice Marin of Reno and a step son, Renaldo also of Reno; his parents, Mr. and Mrs. Joseph Marin of Truckee; five brothers, Jess of Sacramento and Arnold, Conchico, Tony and Alex all of Truckee. Two sisters, Mrs. Socarra Rubalcoac of Boca and Mrs. Lupe Hinopoza of Truckee also survive.

Rosary was held Friday at 7:30 p. m. at the Truckee Colonial Mortuary.

SUBSTITUTES NEEDED ON TEACHING STAFF

Substitute teachers are needed at Tahoe-Truckee High School. Anyone interested in helping with this work may call or write Principal C. W. Sciutto.

Experienced teachers may have their certificates reinstated, and college graduates may obtain a provisional credential. If there are questions about the work, or qualifications, phone Sciutto for full information.

WOLVERINES

Continued from Page One

wet from previous rain, seemed to give both teams trouble keeping good footing. The Wolverines put on two good drives in the second quarter but bogged down twice inside the twenty yard line. Fallon never threatened again in the first half.

The Green Wave received to start the third period and couldn't move, punting out to Truckee's forty yard line. On second down from the forty-five, Chuck Bergman, junior left half started wide to his right, cut back over his tackle and followed his interference beautifully fifty-five yards into the end zone. Sam Medford again made the all important extra point on a right end sweep to put the Wolverines out front 14-6.

Late in the third quarter the Wolverines appeared to put the game on ice with an apparent Sam Medford touchdown from the one yard line but Fallon was given the ball on the twenty, the ruling being a touchback, on a highly controversial play. Early in the fourth quarter Fallon penetrated deep into Truckee territory and gained a first down on the Truckee four yard line, by a matter of less than one inch in another controversial play. From there the Green Wave pounded over and a successful conversion brought the final count to 14-13. The gun sounded as Bill Notley intercepted a desperation Fallon pass and ran it back into Fallon territory.

From a statistical standpoint the Wolverines enjoyed quite an edge, garnering 261 yards from scrimmage to 149 for the Green Wave. Truckee also led in first downs 12-7.

In a preliminary contest the local JV's were out-gunned 27-13. It marked the first game for both junior teams and Coach Guy Wilson was quite pleased with the overall performance of the green "Cubs."

This Friday at 3:30 p. m. the junior varsity will play host to Sparks and Saturday afternoon at 2 p. m. the varsity will battle the Bishop, California Broncos on the local field. Bishop had a last minute cancellation and was very desirous of obtaining a game. As the Wolverines were open this week the game was scheduled and local fans will get an added opportunity to see the Wolverines perform on the local field.

WYETHIA MEMBERS TO MEET AT SCHOOL

Mrs. Fred Pedley has asked that all who wish to attend the Wyethia Club luncheon and tour at Squaw Valley, September 25 to meet at the old grammar school at Truckee, promptly at noon.

If anyone who is not a member wishes to join the group for the afternoon, they will be welcomed, Mrs. Pedley said.

AGENT SUES FOR FEE ON LAKE LAND SALE

AUBURN—A real estate agent who claims he obtained a buyer for the celebrated Dollar Corporation Estate at Lake Tahoe for $1,000,000 after it was listed for sale, has sued for $50,000, which would have been his commission under the terms of an alleged agreement.

Melvin F. Jones named Mrs. Esther Dollar, Stanley Dollar, Jr., and the Robert Dollar Corporation as defendants in a suit filed with the county clerk Thursday.

He said he had arranged to sell the huge estate to Mr. and Mrs. A. L. Brandon for the $1,000,000 asked, but the Dollar interests would not complete the transaction.

SAFETY CAR CHECK TO BE CONDUCTED

A kick off for the newly organized high school Safety Council car check will start Tuesday at the high school for all students and teacher cars, according to Mrs. Fred Pedley.

Two California Highway Patrol officers will conduct the inspection with Mrs. Pedley acting as secretary.

EYE SURGERY

Mrs. Glenn Coffey has reentered Washoe Medical Center at Reno for a delicate eye operation. She will be required to remain in the hospital for several weeks and would welcome notes and visits from friends who are anxious for a speedy recovery.

SQUAW VALLEY MAPS MADE AVAILABLE

Presentation of 25,000 Tidewater Oil Company pocket-sized maps of Squaw Valley, containing a wealth of Winter Olympic information has been made to Prentis C. Hale, San Francisco business leader, who heads the organizing committee of the forthcoming VIII Olympic Winter Games.

Representing Tidewater in the presentation of the maps to Hale for the use of his Olympic committee was Vice President Charles R. Brown, general manager of Flying A company's 9-state western division territory.

Prepared in color, the Tidewater map provides an illustrate representation of the Squaw Valley area plan for the 1960 Winter Games as well as a complete listing of events during the classic's ten days of international competition, February 18-28.

TARZAN AND ITO JOIN THE SAFARI OF THE DWARF TRIBESMEN--TO INVESTIGATE THE 'GIANTS' WHO STEAL TINI-TINI WOMEN.

TINI-TINI WOMEN, DWARF CHIEF OGU TELLS TARZAN, ARE SMALL BUT VERY BEAUTIFUL. IF TARZAN CAN'T STOP GIANT MEN FROM STEALING THEM, TINI-TINI MEN SOON WILL HAVE NO WIVES OR DAUGHTERS.

UP THERE ARE OUR TREES, OUR HOME, TARZAN! THE BIG, UGLY MEN COME FROM THE OTHER SIDE OF OUR MOUNTAINS!

MANY TINI-TINI WIVES AND DAUGHTERS CRY FOR US IN THE NIGHT, BUT WE ARE TOO SMALL TO RESCUE THEM! THE BIG MEN LAUGH AT US AND OUR LITTLE ARROWS-- BUT YOU, TARZAN, THEY'LL WANT TO KILL!

NOT EVEN GIANTS CAN KILL TARZAN!

CLIMBING ABOVE THE CONTINENT'S HOT JUNGLE AND VELD, CHIEF OGU GUIDES TARZAN AND ITO UP INTO A FOREST OF GIGANTIC PREHISTORIC TREES ATOP A CLOUD-SWEPT MOUNTAIN RANGE.

THESE ARE MY DAUGHTERS, TARZAN-- OGA, OGE, OGI AND OGO. THEIR MOTHER WAS STOLEN FROM US BY THE BIG UGLY MEN!

DAUGHTERS! I BRING MIGHTY TARZAN TO VISIT US!

THEN... ON THE MOUNTAINTOP RIDGE, TARZAN BEHOLDS HIS STRANGEST DISCOVERY- THE TINI-TINI TREE HOMES OF THESE AMAZING DWARF PEOPLE.
